#### **BASIS FOR RELIEF**

24. It is not practical to describe every phone call made, meeting attended, document generated, or other service provided in the Debtors' cases during the Application Period. Thus, this Application highlights the most significant services performed by FTI Consulting for the Debtors during the Application Period and the attached time records in Exhibit C contain the detail of each task performed.

25. FTI Consulting submits that the financial advisory services that it rendered to the Debtors in connection with their chapter 11 cases during the Application Period were necessary and

beneficial to the Debtors, their creditors, and their estate. During the Application Period, FTI Consulting devoted substantial time to the matters related to the disposition of the Debtors' remaining assets, including (without limitation) defective inventory, furniture, fixtures and equipment and intellectual property. FTI Consulting worked with the Debtors' in managing the winddown of their operations, their store closings and claims administrations among other things.

26. During the Application Period, FTI Consulting devoted a total of 880.4 hours to assisting the Debtors in their chapter 11 cases. Schedules showing the name and position of each professional, hours worked during the Application Period, and hourly billing rate are provided at the front of this Application. Exhibit C provides the detail by matter of the time billed for such services.

27. Set forth in Exhibit D attached hereto are the detailed expenses incurred during the Application Period in the amount of \$2,902.96.

### **DESCRIPTION OF SERVICES RENDERED**

28. FTI Consulting maintains contemporaneous records of the time expended for the professional services and expenses related hereto performed in connection with these Chapter 11 cases and such records are maintained in the ordinary course of its business. These records provide a detailed description of the services rendered and expenses incurred during the period for which this Sixth Interim Fee Application is being made.

29. All services for which FTI Consulting requests compensation were performed for, or on behalf of, the Debtors.

30. This Sixth Interim Fee Application is divided into eight narrative sections based on the activity descriptions listed below. Each narrative section describes the more significant services rendered by FTI Consulting for each of the activity categories and its benefit to the Estate. FTI Consulting is charging only on an hourly basis for these services. The fees applied for herein are based on the hourly rates that reflect the usual and customary fees charged to all clients of FTI Consulting and are commensurate with the usual and customary rates charged for services performed by accountants and financial advisors in bankruptcy cases of this nature.

31. In March 2010, the Debtors retained Al Siegel of Crowe Horwath LLP as Chief Restructuring Officer (CRO) to the Debtors. Mr. Siegel is expected to be the liquidating trustee post bankruptcy confirmation. As a result, FTI Consulting has begun the process of transitioning certain

tasks and responsibilities to either Crowe Horwath or the Debtors' finance team. For example, FTI Consulting at the request of the Debtors transitioned the responsibility of preparing the weekly cash flow to the Debtors' finance team. This transition process is expected to continue as Mr. Siegel becomes more familiar with the work required and resources available.

***Attendance at Bankruptcy Court Hearings***

32. During the Application Period, at the request of the Debtors' counsel and the Debtors' management, FTI Consulting prepared for and attended the Twenty-Eighth Omnibus Hearing. FTI Consulting was instrumental in providing informational support to the Debtors and Debtors' counsel as needed on management incentive matters.

33. During the Sixth Interim Fee Application Period, FTI Consulting's professionals spent 4.2 hours on matters related to Attendance at Bankruptcy Court Hearings for which compensation is sought with the time value of \$3,234.00. The detailed time entries for this task are attached hereto as Exhibit C.

***Bankruptcy Reporting and Postpetition Accounting***

34. During the Application Period, FTI Consulting assisted the Debtors with required weekly reporting and postpetition accounting activities.

35. FTI Consulting prepared a weekly cash flow report to the lending group and the Committee's financial advisors and was responsible for coordinating the aggregation of data required to populate the financial reporting package that were sourced from various areas of the Debtors' functional areas. FTI Consulting reviewed the weekly cash flow report with the Debtors' treasury team to confirm the accuracy of the numbers and subsequently reviewed the reports with Debtors' management. During the Application Period, FTI Consulting at the request of the Debtors transitioned the responsibility of preparing the weekly cash flow to the Debtors' finance team.

36. Second, FTI Consulting updated periodically a claims waterfall report incorporating summary claims data from the CMSi system. FTI Consulting prepared this report on a weekly basis as requested by the Debtors and their counsel. FTI Consulting prepared a bridge analysis to track the progress of the claims reconciliation process. The claims waterfall was updated for (i) total claims filed; (ii) ordered claims; (iii) withdrawn claims; (iv) claims settled through court stipulation; (v) filed omnibus objections; (vi) adjourned claims and (vii) allowed claims. Updating the claims

waterfall report included reviewing and summarizing omnibus objections, court stipulations, supplemental orders, withdrawn claims and other court documents to ensure accurate reporting of remaining claims.

37. During the Sixth Interim Fee Application Period, FTI Consulting's professionals spent 129.7 hours on matters related to bankruptcy reporting and postpetition accounting which compensation is sought with the time value of \$57,659.00. The detailed time entries for this task are attached hereto as Exhibit C.

### ***Canadian Matters***

38. During the Application Period, the Debtors' management requested that FTI Consulting continue to assist them in analyzing the working capital adjustment on the closing date balance sheet prepared by Bell Canada who purchased the assets of the Canadian subsidiary of the Debtor. The working capital adjustment proposed by Bell Canada would reduce the purchase price for the Canadian subsidiary. FTI Consulting used resources from our Transaction Advisory Services to assist in this matter. The primary remaining item in dispute was the collectability of certain accounts receivable and the impact on the accounts receivable reserve. Therefore, the Debtor's management requested FTI assist in monitoring and analysis of collections.

39. First, FTI continued to analyze Bell's assessment of collectability on outstanding accounts receivable and related off-sets. In February, FTI participated in weekly conference calls with Bell local management and the Monitor to review the status of claims and the accounts receivable confirmation process.

40. Second, FTI updated the analysis of accounts receivable reserves on a vendor-by-vendor basis, based on information provided by InterTAN and the Monitor. FTI prepared an updated reserve analysis for comparison with Bell's additional provision request. As a result, FTI identified errors in Bell's provision calculation to further support the Debtor's challenge to Bell's additional provision request.

41. Third, FTI Consulting has been a key contributor in the negotiations with Bell Canada regarding the working capital adjustment on the closing balance sheet. FTI participated in conference calls with the Debtors and Debtors' legal counsel on status and approach for negotiations. FTI also had calls directly with Bell, on behalf of the Debtor, regarding the Debtor's

position on specific adjustments. As a result of FTI's analysis and negotiations, Bell's original purchase price adjustment of \$18.1 million was reduced by \$8.8 million down to \$9.3 million.

42. Fourth, at the Debtor's request, FTI prepared the final closing date financial statement, which reflects the final working capital adjustments resulting from the transaction

43. During the Sixth Interim Fee Application Period, FTI Consulting's professionals spent 139.2 hours on matters related to Canadian matters for which compensation is sought with the time value of \$82,069.50. The detailed time entries for this task are attached hereto as Exhibit C.

### ***Claims Management***

44. During the Application Period, at the request of the Debtors, FTI Consulting assisted in the claims management process. To date, creditors have filed over 15,000 proofs of claim in these cases that require reconciliation. These claims, which consist of secured, 503(b)(9), administrative, reclamation, priority and unsecured have a stated value in excess of \$13.1 billion. At the request of the Debtors', FTI Consulting has been assisting the Debtors' personnel in providing guidance and assistance in the efficient and effective reconciliation of this population of claims.

45. First, during the Application Period, FTI Consulting's assistance focused on: (i) loading docketed proofs of claim into CMS for the Debtor's use in the claims reconciliation and resolution process; (ii) performing various analysis regarding claims including searching for duplicates and superseding scheduled liabilities to proofs of claim; (iii) assisting the Debtors with the completion and generation of claim objection exhibits for omnibus objections sixty-six through seventy; (iv) designing and compiling on demand management reports accessible to all users of CMS to detail claims reconciliation progress;

46. Second, FTI Consulting assisted the Debtors' claims resolution team in their efforts to reconcile, object to, settle and resolve proofs of claims filed against the Debtors in these Chapter 11 proceedings. The Debtors' claims resolution team was comprised of Debtors' personnel, supported by professionals from the Debtors' counsel and FTI Consulting. Due to the complexity of these cases, the large number of creditors who filed proofs of claim against the Debtors and a high number of complex claims including over 1,300 claims filed under section 503(b)(9), FTI Consulting assembled a team of professionals with significant experience in complex bankruptcy claims reconciliation to assist the Debtors in this area.

47. Third, FTI Consulting's assistance in the claims management area included all aspects of claims management and claims resolution. Utilizing proprietary bankruptcy software called the Claims Management System ("CMS"), FTI Consulting established a multi-user, computer information system environment designed to manage the Debtors' scheduled liabilities and proofs of claim. The Debtors use and rely on CMS to track the progress and status of each proof of claim, perform analysis of claims, object to claims and generate various management reports. The CMS database server and software is available via a secure internet protected environment that provides the Debtors and their advisors access to claims related information and enables the Debtors to increase personnel resources as necessary to meet the requirements and deadlines of the cases. During the Application Period, FTI Consulting loaded proof of claim data into CMS received from the claims agent to establish a baseline system for the Debtors to continue the reconciliation process.

48. Fourth, in addition to maintaining CMS for the Debtors, FTI Consulting also assisted the Debtors in establishing and managing the claims resolution process. This included: (i) assisting in the preparation of and modification to claims resolution protocols and training materials describing in detail the claims resolution process and resolution tasks to be completed; and (ii) participating in working sessions with the Debtors and counsel to resolve issues and develop strategies regarding case specific complexities and to advise the Debtors with respect to timing and resource needs. In addition, FTI Consulting assisted the Debtors in establishing procedures for identifying and reviewing claims for omnibus objections including objections for duplicate or amended claims, late claims, no liability, reclassification and non-good 503(b)(9) claims. The Debtors filed omnibus objections sixty-six through seventy during the Application Period which sought disallowance or modification of claims with a reduction of claim amounts totaling approximately \$69.2 million.

49. Fifth, FTI Consulting was requested by the Debtors to attend their claims review meetings which were held periodically and lasted for several hours. During these meetings, employees of the Debtors would review open items and questions about specific claims in such areas as tax, human resources, landlords and vendors. FTI Consulting along with the Debtors' counsel would provide guidance to help resolve any items, answer any questions and bring to resolution with a defined action plan regarding the claim being reviewed.

50. Sixth, FTI Consulting at the request of the Debtors and their counsel prepared numerous reports such as stratification of claims by class, landlord claims cross guaranty analysis, reclamation claim analysis, unliquidated claims, among others.

51. During the Sixth Interim Fee Application Period, FTI Consulting's professionals spent 268.2 hours on matters related to claims management for which compensation is sought with the time value of \$116,827.00. The detailed time entries for this task are attached hereto as Exhibit C.

### **ALLOWANCE OF COMPENSATION**

69. FTI Consulting respectfully submits that the amounts applied for herein for professional services rendered on behalf of the Debtors in this proceeding to date are fair and reasonable given: (i) the time expended; (ii) the nature and extent of the services performed at the time at which such services were rendered; (iii) the value of such services; and (iv) the costs of comparable services other than in a Chapter 11 case.

70. The time and labor expended by FTI Consulting has been commensurate with the size and complexity of the case. In rendering these services, FTI Consulting made every effort to maximize the benefit to the Estate, to work efficiently with the other professionals employed in the case, and to leverage staff appropriately in order to minimize duplication of effort. The complex issues of the case required staff professionals to confer and collaborate at certain times to ensure the efficient allocation of resources and to plan strategies effectively. While essential to the effective administration of the engagement, to the extent possible these conferences were kept to a minimum. Compensation is sought for participation by more than one professional only in instances where joint participation was necessary because of the significant impact of a particular meeting, the complexity of the problem involved, and the specialization required or the need to preserve continuity of representation. At times, it may have been necessary for more than one professional to attend a meeting to facilitate communication of information rather than to relay the information from individual to individual.

71. During the Application Period, FTI Consulting provided a focused range of professional services as requested by the Debtors. FTI Consulting respectfully submits that these services were necessary and beneficial to the successful and prompt administration of this case; and have been provided in a cost efficient manner.

72. FTI Consulting has exercised reasonable billing judgment and has either reduced its fees or not sought reimbursement in relation to a number of tasks performed and expenses incurred for the benefit of the Debtors. FTI Consulting has carefully reviewed all of its time records and has elected to make certain voluntary reductions to the fees it is requesting which results primarily from the application of FTI Consulting's firm-wide policy which requires professional personnel to exercise reasonable billing judgment on a daily basis. Chargeable hours are recorded on a daily basis, at which time professional staff members make informed judgments as to the quality and

productivity of time spent on the engagement. The exercise of reasonable billing judgment, at the professional staff level, effectively considers the quality of time charged to the Debtors. In this regard, non-productive time has not been billed to the Debtors' Estate.

73. The services that have been provided by FTI Consulting during these proceedings have been wholly consistent with the Debtors' intentions and have been undertaken with specific direction and guidance from the Debtors' senior management. These cases have necessitated the use of experienced advisors with specialized expertise in bankruptcy issues and financial analysis to timely and thoroughly address the needs of the Debtors in performing their duties as Debtors-in-Possession. The persons who have worked on this case have demonstrated the skill in their respective areas of expertise required to provide the services necessary to assist the Debtors.

74. Other than as provided in Section 504(b) of the Bankruptcy Code, FTI Consulting has not shared, or agreed to share, any compensation received as a result of this case with any person, firm or entity. No promises concerning compensation have been made to FTI Consulting by any firm, person or entity. The sole and exclusive source of compensation shall be funds of the Estate.

75. This Application has been prepared in accordance with the United States Trustee Guidelines for Compensation and Reimbursement of Expenses Filed under U.S.C. section 330 and the Guidelines for Compensation and Expense Reimbursement of Professionals set forth by the United States Bankruptcy Court, Eastern District of Virginia, Richmond Division. FTI Consulting has exercised reasonable billing judgment and has either reduced its fees or not sought reimbursement in relation to a number of tasks performed and expenses incurred for the benefit of the Debtors.

76. FTI Consulting reserves the right to supplement this Application prior to a hearing. Further, FTI Consulting specifically reserves the right to file subsequent applications for, and to seek final approval of, the fees and expenses requested herein.

77. In accordance with the Administrative Order, Pursuant to Sections 105(a) and 331 of the Bankruptcy Code, Establishing Procedures for Interim Compensation (the "Administrative Order"), FTI Consulting has submitted to the Court its Sixth Interim Fee Application requesting compensation for the period February 1, 2010 through and including April 30, 2010.

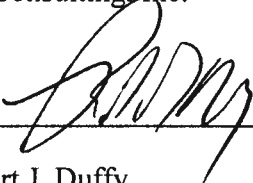

78. Taking into consideration the skill and experience of FTI Consulting, the benefits to the Debtors, the nature of the assignment, and the time expended, FTI Consulting believes that fair

and reasonable compensation for the services rendered and expenses incurred during the Application Period is \$447,581.46.

THEREFORE, FTI Consulting respectfully requests that the Court enter an Order allowing interim compensation for the period from February 1, 2010 through and including April 30, 2010 in the sum of one hundred percent (100%) of the amount incurred by FTI Consulting of \$444,678.50 in fees and reimbursement of one hundred percent (100%) of actual expenses in the amount of \$2,902.96 and directing prompt payment to FTI Consulting in the amount of \$447,581.46 and granting such other and further relief as may be just and proper.

Respectfully submitted,

---

<sup>1</sup> The Debtors are the following entities: The Debtors and the last four digits of their respective taxpayer identification numbers are as follows: Circuit City Stores, Inc. (3875), Circuit City Stores West Coast, Inc. (0785), InterTAN, Inc. (0875), Ventoux International, Inc. (1838), Circuit City Purchasing Company, LLC (5170), CC Aviation, LLC (0841), CC Distribution Company of Virginia, Inc. The address for Circuit City Stores West Coast, Inc. is 9250 Sheridan Boulevard, Westminster, Colorado 80031. For all other Debtors, the address is 9950 Mayland Drive, Richmond, Virginia 23233.

(the "Petition Date"). In support of the Application, the Debtors rely upon the Affidavit of Robert J. Duffy, sworn to on November 17, 2008 (the "Duffy Affidavit"), a copy of which is attached hereto as Exhibit A. In further support of this Application, the Debtors respectfully represent as follows:

#### **JURISDICTION AND VENUE**

1. This Court has jurisdiction to consider this Application under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Application in this district is proper under 28 U.S.C. §§ 1408 and 1409.

2. The statutory predicates for the relief requested herein are Bankruptcy Code sections 105(a), 327(a), 328 and 1107, as supplemented by Bankruptcy Rule 2014 and Local Rule 2014-1.

#### **BACKGROUND**

3. On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

4. The Debtors continue to manage and

operate their businesses as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108.

5. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia (the "United States Trustee") appointed a statutory committee of unsecured creditors. To date, no trustee or examiner has been appointed in these chapter 11 cases.

6. Based in Richmond, Virginia, Debtors are a leading specialty retailer of consumer electronics and operate large nationwide electronics stores throughout the United States and Puerto Rico that sell, among other things, televisions, home theatre systems, computers, camcorders, furniture, software, imaging and telecommunications products, and other audio and video electronics.

7. Despite significant revenues, the Debtors have suffered two consecutive years of losses. While the Debtors made every effort to improve their financial performance and implement a global turnaround strategy, they were ultimately unable to consummate a successful restructuring outside of bankruptcy. In large part, the

Debtors' chapter 11 filings were due to an erosion of vendor confidence, decreased liquidity and the global economic crisis.

8. Thus, the Debtors commenced these cases with the immediate goals of obtaining adequate postpetition financing and continuing their restructuring initiatives commenced prior to the Petition Date, including closing 154 stores. In addition, the Debtors will continue to evaluate their business, work closely with their vendors, and enhance customer relations with a goal of emerging from chapter 11 as a financially stable going concern.

#### **RELIEF REQUESTED**

9. By this Application, the Debtors seek entry of an order, under Bankruptcy Code sections 105(a), 327(a), 328 and 1107 authorizing the employment and retention of FTI as their financial advisors and consultants in these chapter 11 cases, effective as of the Petition Date.

#### **BASIS FOR RELIEF REQUESTED**

10. FTI commenced its engagement with the Debtors on August 15, 2008 pursuant to an engagement

letter (the "Engagement Letter"), a copy of which is attached to the Duffy Affidavit as Exhibit 1A. Pursuant to the Engagement Letter, the Debtors retained FTI to provide financial advisory and consulting services. FTI and the Debtors executed a revised restructuring engagement letter on November 5, 2008 (together with the Engagement Letter, the "Engagement Letters"), a copy of which is attached to the Duffy Affidavit as Exhibit 1B. The Debtors and FTI have worked closely with respect to the matters set forth in both Engagement Letters. FTI has assisted the Debtors in the financial aspects of their restructuring efforts and in the Debtors' preparation of these bankruptcy cases.

11. The Debtors are familiar with the professional standing and reputation of FTI. Indeed, the consideration of this professional standing and reputation was a critical element in the Debtors' decision to enter into the Engagement Letters between the Debtors and FTI. Among other things, the Debtors understand that FTI has a wealth of experience in providing financial advisory and consulting services in restructurings and reorganizations and enjoys an

excellent reputation for services it has rendered in large and complex chapter 11 cases on behalf of debtors and creditors throughout the United States.

12. Since the time FTI was first engaged by the Debtors, FTI has developed a great deal of institutional knowledge regarding the Debtors' operations, finance and systems. The Debtors believe that this institutional experience and knowledge will be valuable to the Debtors in their efforts to reorganize.

13. The Debtors believe that the services of FTI will be critical to the Debtors' efforts to maximize the value of their estates and to reorganize successfully. Further, the Debtors believe that FTI is well qualified and able to represent the Debtors in a cost-effective, efficient and timely manner.

14. Accordingly, the Debtors wish to retain FTI to provide assistance during these bankruptcy cases pursuant to the terms of the Engagement Letters.

#### **SCOPE OF SERVICES**

15. Pursuant to the terms of the Engagement Letters, FTI has provided, is providing and will continue to provide such consulting and advisory

services<sup>2</sup> as FTI and the Debtors deem appropriate and feasible in order to advise the Debtors in the course of these chapter 11 cases. Specifically, FTI will render various services to the Debtors including, but not limited to, the following:

#### **Other**

- Assist with such other accounting and financial advisory services as requested by the Company and/or the Board of Directors consistent with the role of a financial advisor and not duplicative of services provided by other professionals.

**FTI'S DISINTERESTEDNESS**

16. FTI has informed the Debtors that, except as may be set forth in the Duffy Affidavit, it (i) has no connection with the Debtors, its creditors or other parties in interest in this case; (ii) does not hold or represent any interest adverse to the Debtors' estates; and (iii) believes it is a "disinterested person" as defined within Bankruptcy Code section 101(14).

17. FTI has further informed the Debtors that it will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new material facts, connections or relationships are discovered or arise, FTI will supplement its disclosure to the Court.

18. FTI has also agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with these cases.

19. The Debtors believe that FTI is not owed any amounts with respect to its prepetition fees and expenses.

#### **TERMS OF RETENTION**

20. The Debtors understand that FTI intends to apply to the Court for allowances of compensation and reimbursement of expenses for financial advisory and consultants support services in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, corresponding Local Rules, orders of this Court and guidelines established by the United States Trustee. The customary hourly rates, subject to periodic adjustments, charged by FTI's professionals anticipated to be assigned to this case are as follows:

##### **Standard Hourly Rates**

Senior Managing Directors	\$650 - \$715
Directors/Managing Directors	\$475 - \$620
Consultants/Senior Consultants	\$235 - \$415
Administrative/Paraprofessionals	\$95 - \$190

##### **Completion Fee**

21. The Company, in its sole and absolute discretion, may pay FTI (i) a fee (a "Completion Fee") in the event a restructuring or sale transaction is consummated to the satisfaction of the Company and (ii) a fee (a "Financing Fee") in the event additional financing is obtained. The Completion Fee may be paid

to FTI under the following scenarios:

- In the event the Company consummates a plan, reorganization or sale transaction within 180 days of the filing, a Completion Fee of up to \$3.5 million.
- In the event the Company completes any other restructuring, plan, reorganization or sale transaction not described above, a Completion Fee of up to \$1 million.

The Financing Fee may be paid to FTI under the following scenarios:

#### **Financing Fee**

##### **Second Lien Financing**

- A total Financing Fee of 1.0% of the commitment of second lien DIP financing will be earned by FTI. Such fees will be earned and paid upon interim court approval or closing of such financing.

##### **Senior Loan Financing**

- In the event the Company seeks to refinance its existing senior debt outside of a chapter 11 proceeding or secure senior debt as part of a DIP financing, a financing fee of .25% of the commitment amount will be earned and paid upon interim court approval or closing of such financing.
- A total financing fee of 0.25% of the commitment of senior DIP financing will be earned by FTI. Such fees will be earned and paid upon interim court approval or closing of such financing.

22. FTI has requested that it be engaged under a general retainer. The Debtors believe that FTI should be employed under a general retainer because of the variety and complexity of the services that will be required during these proceedings.

23. FTI has received from the Debtors total "on account" cash in the amount of \$750,000 (the "On-Account Cash"), which was increased from \$550,000 on November 5, 2008. Attached as Exhibit 4 to the Duffy Affidavit is a list of the invoices sent by FTI and the payments made by the Company. As set forth on such Exhibit 4, since commencing the engagement, FTI has invoiced the Company in the aggregate amount of \$3,228,924, which amount reflects \$2,336,490 billed to the Company for professional services, \$142,434 for out of pocket expense reimbursement and the \$750,000 held as On-Account Cash. As also shown on Exhibit 4, prior to the Petition Date, FTI applied \$0 of its initial \$750,000 cash on account for estimated fees and expenses.

24. FTI has informed the Debtors that as promptly as practicable after all fees and charges

accrued prior to the Petition Date have been finally posted within FTI's computerized billing system, FTI will issue a final billing statement to the Company for the actual fees, charges, and disbursements incurred for the period prior to the Petition Date (the "Final Prepetition Bill Amount"). Pursuant to the Engagement Letters, and subject to any orders of the Court, FTI will deduct the Final Prepetition Bill Amount from the On-Account Cash. To the extent that the Final Prepetition Bill Amount is less than the On-Account Cash, FTI has indicated that it will hold the full amount of the difference as a post-petition retainer to be applied against any amounts approved by the Court in connection with FTI's final fee application. In the event that the Final Prepetition Bill Amount exceeds the On-Account Cash, FTI has agreed to waive any claim against the Debtors for payment with respect to the amount by which the Final Prepetition Bill Amount exceeds the On-Account Cash. FTI has further informed the Debtors that the On-Account Cash will not be segregated by FTI in a separate account.

**NOTICE**

25. Notice of this Application has been provided to those parties entitled to notice under this Court's Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management, and Administrative Procedures (D.I. 136). The Debtors submit that, under the circumstances, no other or further notice need be given.

**WAIVER OF MEMORANDUM OF LAW**

26. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Application and all applicable authority is set forth in the Application, the Debtors request that the requirement that all applications be accompanied by a separate memorandum of law be waived.

**NO PRIOR REQUEST**

27. No previous request for the relief sought herein has been made to this Court or any other court.

**CONCLUSION**

WHEREFORE, the Debtors respectfully request that the Court enter an order, substantially in the form annexed hereto, granting the relief requested in the Application and such other and further relief as may be just and proper.

**AFFIDAVIT IN SUPPORT OF THE DEBTORS' APPLICATION  
FOR AN ORDER AUTHORIZING EMPLOYMENT AND  
RETENTION OF FTI CONSULTING, INC. AS  
FINANCIAL ADVISOR FOR THE DEBTORS**

STATE OF MASSACHUSETTS )  
 ) ss.  
COUNTY OF SUFFOLK )

I, Robert J. Duffy, being duly sworn, depose and  
say:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors and employees, "FTI"), a financial advisory services firm with offices located at numerous locations around the world. I submit this Affidavit on behalf of FTI (the "Affidavit") and in support of the application (the "Application") of Circuit City Stores, Inc., the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors"), for an order authorizing the employment and retention of FTI as Financial Advisors under the terms and conditions set forth in the Application. Except as otherwise noted,<sup>1</sup> I have personal knowledge of the matters set forth herein.

**DISINTERESTEDNESS AND ELIGIBILITY**

2. In connection with the preparation of this Affidavit, FTI's professionals conducted a review of its professional contacts with the Debtors, their affiliates, and other parties in interest that were reasonably known

---

<sup>1</sup> Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information from them.

to us. Our review, completed under my supervision, consisted of queries of an internal computer database containing names of individuals and entities that are present or recent former clients of FTI in order to identify potential relationships. FTI's search included the following types of entities: the Debtors and its subsidiaries, non-debtor affiliates, the Debtors' directors and officers, secured lenders, significant merchandise creditors, significant vendors, significant real and personal property lessors, significant shareholders, consignors, third party administrators, potential liquidators, litigation parties, banks, attorneys and professionals. A listing of the parties reviewed is reflected on Exhibit 2 to this Affidavit. A summary of such relationships that FTI identified during this process is set forth on Exhibit 3 to this Affidavit. If any new relevant facts or relationships are discovered or arise, FTI will promptly file a Bankruptcy Rule 2014(a) Supplemental Affidavit.

3. FTI has initiated ethical walls relating to two matters to ensure that FTI's representation of another party does not have a materially adverse impact

on the Debtors. First, FTI is currently engaged by Syntax Brillian and the Debtors are a party to litigation with Syntax Brillian. The ethical wall was established on September 3, 2008. Second, FTI is currently engaged by Magellan and Magellan is a potential creditor of the Debtors. The ethical wall was established October 28, 2008.

4. From the results of such review, we were not made aware of any conflicts of interest or additional relationships that we believe would preclude us from performing our services. No FTI personnel working on this engagement performed any services for either Syntax Brillian or Magellan following the date of execution of the ethical wall agreements. FTI personnel working under my direction have been subject to ethical walls to avoid any leakage of information or engagement-related communications with FTI personnel assigned to assist Syntax Brillian or Magellan. These ethical walls remain in effect as of the date of this Affidavit. As part of the ethical wall, FTI has instituted information blocking systems to prevent the exchange of information

regarding the Debtors between the groups involved within FTI.

5. Financial Dynamics ("FD"), a division of FTI, is employed by the Debtors to provide communications services. FD is not a creditor and these services are being provided in the ordinary course of business.

6. Otherwise, based on the results of its review of parties-in-interest associated with the Debtors, FTI does not have a relationship with any of the parties on the Exhibit 2 in matters related to these proceedings. FTI has provided and could reasonably be expected to continue to provide services unrelated to the Debtors' cases for the various entities shown on Exhibit 3. FTI's assistance to these parties has been related to providing various financial, restructuring, litigation support and/or engineering and scientific investigation consulting services. To the best of my knowledge, no services have been provided to the parties-in-interest which involve their rights in the Debtors' cases, nor does FTI's involvement in this case compromise its ability to continue such consulting services.

7. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings and transactions that involve many different professionals, including attorneys, accountants and financial consultants, who may represent claimants and parties-in-interest in the Debtors' chapter 11 cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which FTI is to be employed, and none are in connection with these cases.

8. FTI does not believe it is a "Creditor" of any of the Debtors within the meaning of Bankruptcy Code section 101(10). Further, neither I nor any other FTI

partner or principal, to the best of my knowledge, is a holder of any shares of the Debtors' stock.

9. Based on the results of the relationship search conducted to date as described above, FTI has no known significant connection to the above-captioned Debtors, their creditors, equity security holders, other parties-in-interest (as reasonably known to us) or their respective attorneys, except as disclosed or otherwise described herein. Further, to the best of my knowledge, no one involved in this case or in FTI's practice generally has any connection to the U.S. Trustee or any person employed in the Office of the U.S. Trustee in this District.

10. As such, to the best of my knowledge, FTI is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14), as modified by Bankruptcy Code section 1107(b), in that FTI

- (1) is not a creditor, equity security holder or insider of the Debtors;
- (2) is not and was not within 2 years before the date of the filing of the petition, a director, officer, or employee of the Debtors.

In addition, to the best of my knowledge and based upon the results of the relationship search described above, FTI neither holds nor represents an interest adverse to the Debtors within the meaning of Bankruptcy Code section 327(a).

11. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest. If any new relevant facts or relationships are discovered or arise, FTI will promptly file a Bankruptcy Rule 2014(a) Supplemental Affidavit.

#### **PROFESSIONAL COMPENSATION**

12. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, applicable U.S. Trustee guidelines and the local rules of this District, FTI will seek payment for compensation on an hourly basis for the financial and other consulting services outlined in the application, and reimbursement of actual and necessary expenses incurred by FTI. FTI's customary hourly rates as charged to both bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the

Application for the employment of FTI. These hourly rates are adjusted annually.

13. Further, according to FTI's books and records, during the ninety days prior to the Debtors' petition date, FTI received \$3,228,924 as set forth on Exhibit 4, which amount reflects \$2,336,490 billed to the Company for professional services, \$142,434 for out of pocket expense reimbursement and the \$750,000 held as On-Account Cash.

14. No commitments have been made or received by FTI, nor any partner or employee associate thereof, as to compensation or payment in connection with these cases other than in accordance with the provisions of the Bankruptcy Code. FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.

FURTHER AFFIANT SAYETH NOT.

Financing Services

- The Services set forth in this Engagement Contract do not include financing or capital raising activities. In the event the Company requests that FTI perform such activities, the parties agree to execute an addendum to this Engagement Contract that describes such additional services and any related fees.

Robert J. Duffy and Stephen L. Coulombe shall have primary and ongoing responsibility for all Services provided pursuant to this Engagement. Except as otherwise provided herein, the Services may be performed by FTI or by any subsidiary of FTI as FTI shall determine and FTI may also provide Services through its or its subsidiaries' agents or independent contractors. References herein to FTI and its employees shall be deemed to apply also, unless the context shall otherwise indicate, to employees of each such subsidiary and to any such agents or independent contractors and their employees.

The Services, as provided herein, are subject to change as mutually agreed by the Company and FTI.

FTI is engaged by the Company to provide financial advisory and consulting services only. Accordingly, while we may from time to time suggest options which may be available to you, and further give our professional evaluation of these options, the ultimate decision as to which, if any, of these options to implement rests with the Company, its management and the Executive Committee. FTI and its employees will not make any management decisions for the Company and will not be responsible for communicating information concerning the Company to the public, the Company's shareholders, creditors or other parties.

As part of the Services, FTI may be requested to assist the Company (and its legal or other advisors) in negotiations with the Company's shareholders, creditors or other parties, including with respect to a potential out-of-court restructuring. In the event that we participate in such negotiations, the representations made and the positions advanced will be those of the Company and its management, not FTI or its employees.

If cases under the Bankruptcy Code, 11 U.S.C. § 101-1532 (the "Bankruptcy Code"), are commenced and our retention is approved, our role will include serving as principal bankruptcy financial advisors to the debtors and debtors-in-possession in those cases under a

Circuit City Stores, Inc.

general retainer, subject to court approval. Our role also will encompass all out-of-court planning and negotiations attendant to these tasks.

The *Services* we will provide in connection with the Engagement will encompass all services normally and reasonably associated with this type of *Engagement* that we are requested and are able to provide and that are consistent with our ethical obligations. With respect to all matters of our Engagement, we will coordinate closely with the Company as to the nature of the services that we will render and the scope of our *Engagement*.

As usual, our Engagement is to represent the Company and not its individual directors, officers, employees or shareholders. However, we anticipate that in the course of that Engagement, we may provide information or advice to directors, officers or employees in their corporate capacities.

### 3. Fees, Expenses and Cash on Account

#### Standard Hourly Rates:

Fees in connection with this Engagement will be based upon the time incurred providing the Services, multiplied by our standard hourly rates applicable in the United States, summarized as follows:

	Per Hour
Senior Managing Directors	\$650 - \$715
Directors / Managing Directors	\$475 - \$620
Consultants/Senior Consultants	\$235 - \$415
Administrative / Paraprofessionals	\$95 - \$190

Hourly rates are generally revised periodically; provided that FTI shall provide the Company with at least 10 days' prior written notice of any rate adjustments (and the amount of any such rate adjustments). To the extent this Engagement requires services of our International divisions or personnel, the time incurred providing the Services will be multiplied by our standard hourly rates applicable on International engagements which rates shall be provided to the Company in writing, prior to the assignment of such divisions or personnel. Note that we do not provide any assurance regarding the outcome of our work and our fees will not be contingent on the results of such work.

#### Completion Fee

The Executive Committee, in its sole and absolute discretion, may pay FTI a fee (a "Completion Fee") in the event a restructuring or sale transaction is consummated to the satisfaction of the Company. The Completion Fee may be paid to FTI under various scenarios as follows:

- In the event a restructuring or sale transaction is completed and the Company does not file for bankruptcy protection, a Completion Fee of up to \$5 million.
- In the event the Company files for bankruptcy protection and the Company consummates a plan, reorganization or sale transaction within 180 days of the filing, a Completion Fee of up to \$3.5 million.
- In the event the Company completes any other restructuring, plan, reorganization or sale transaction not described above, a Completion Fee of up to \$1 million.

Circuit City Stores, Inc.  
August 15, 2008

**Expenses:**

In addition to the fees outlined above, FTI will bill for reasonable direct expenses which are incurred on your behalf during this Engagement provided that FTI shall present to the Company invoices and other supporting detail that may be reasonably requested by the Company. Direct expenses are reasonable and customary out-of-pocket expenses which are billed directly to the Engagement, such as certain telephone, overnight mail, messenger, travel, meals, accommodations and other out-of-pocket expenses specifically related to the Engagement. Further, if FTI and/or any of its employees are required to testify or provide evidence at or in connection with any judicial or administrative proceeding relating to the Engagement, FTI will be compensated by you at its regular hourly rates and reimbursed for reasonable direct expenses (including reasonable, documented fees of outside counsel) with respect thereto as provided herein.

**Cash on Account:**

Initially, the Company will forward to us the amount of \$100,000, which funds will be held "on account" to be applied to our professional fees, expenses and disbursements for the Engagement (as replenished or supplemented from time to time, the "Initial Cash on Account"). To the extent that this amount exceeds our fees, expenses and disbursements upon the completion or termination of the Engagement, we will immediately refund to the Company any portion of the Initial Cash on Account and the Additional Cash on Account (as defined herein) in excess of all fees and expenses due FTI. The Company agrees to increase or supplement the Initial Cash on Account from time to time during the course of the Engagement in such amounts as the Company and we mutually shall agree are reasonably necessary to increase the Initial Cash on Account to a level that will be sufficient to fund Engagement fees, expenses and disbursements to be incurred.

We will send the Company periodic invoices (not less frequently than monthly) for services rendered and expenses and disbursements incurred on the basis discussed above, and in certain circumstances, an invoice may be for estimated fees, expenses and disbursements through a date certain. Each invoice constitutes a request for an interim payment against the fee to be determined at the conclusion of our Services. After 2 business days following transmittal of the invoice, we may draw upon the Initial Cash on Account in the amount of the invoice. The Company agrees upon submission of each such invoice to promptly wire the invoice amount to us as replenishment of the Initial Cash on Account (together with any supplemental amount to which we and the Company mutually agree), without prejudice to the Company's right to advise us of any differences it may have with respect to such invoice. We have the right to apply to any outstanding invoice (including amounts billed prior to the date hereof), up to the remaining balance, if any, of the Initial Cash on Account at any time subject to (and without prejudice to) the Company's opportunity to review and dispute our invoices, fees, expenses or disbursements.

Neither party shall actively solicit for employment or hire any employee of the other party during the term of this Engagement and for a period of one (1) year following the date of termination or completion of this engagement without the prior written consent of the other party.

Circuit City Stores, Inc.  
August 15, 2008

In a case under the Bankruptcy Code, fees and expenses may not be paid without the express prior approval of the bankruptcy court. In most cases of this size and complexity, on request of a party in interest, the bankruptcy court permits the payment of fees and reimbursement of expenses on an interim basis during the case. The Company agrees that, if asked to do so by us, the Company will request the bankruptcy court to establish a procedure for the payment of interim fees during the case that would permit payment of interim fees. If the bankruptcy court approves such a procedure, we will submit invoices on account against our final fee. These interim invoices will be based on such percentage as the bankruptcy court allows of our internal time charges and costs and expenses for the work performed during the relevant period and will constitute a request for an interim payment against the reasonable fee to be determined at the conclusion of our representation.

In preparation for the filing of any cases under the Bankruptcy Code, we also may require an additional on account payment to supplement the Initial Cash on Account to cover fees, expenses and disbursements to be incurred during the initial phase of the chapter 11 cases (the "Additional Cash on Account"). We will hold the Additional Cash on Account, as we have the Initial Cash on Account. Of course, the reasonableness of the Additional Cash on Account remains subject to review by the court in any ensuing case.

If any of the Company's entities become a debtor in one or more cases under the Bankruptcy Code, some fees, expenses and disbursements (whether or not billed) incurred before the filing of bankruptcy petitions (voluntary or involuntary) might remain unpaid as of the date of the filing. The unused portion, if any, of the Initial Cash on Account and the Additional Cash on Account will be applied to any such unpaid pre-petition fees, expenses and disbursements. Any requisite court permission will be obtained in advance. We will then hold any portion of the Initial Cash on Account and the Additional Cash on Account not otherwise properly applied for the payment of any such unpaid pre-filing fees, expenses and disbursements (whether or not billed) as on account cash to be applied to our final invoice in any case under the Bankruptcy Code.

Post-petition fees, expenses and disbursements will be due and payable immediately upon entry of an order containing such court approval or at such time thereafter as instructed by the bankruptcy court. The Company understands that while the arrangement in this paragraph may be altered in whole or in part by the bankruptcy court, the Company shall nevertheless remain liable for payment of court approved post-petition fees and expenses. It is agreed and understood that the unused portion, if any, of the Initial Cash on Account and the Additional Cash on Account shall be held by us and applied against the final fee application filed and approved by the court.

#### **4. Terms and Conditions**

The Standard Terms and Conditions set forth the duties of each party with respect to the Services. Further, this letter and the Standard Terms and Conditions comprise the entire Engagement Contract for the provision of the Services to the exclusion of any other express or implied terms, whether expressed orally or in writing, including any conditions, warranties and representations, and shall supersede all previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services.

Circuit City Stores, Inc.

**5. Conflicts of Interest**

Based on the list of potentially interested parties (the "Potentially Interested Parties"), provided by you, we have undertaken a limited review of our records to determine FTI's professional relationships with the Company and Bank of America, N.A., the administrative agent for the Company's existing credit facility (the "Administrative Agent"). As you may be aware, FTI is regularly retained by the Administrative Agent and/or other members of your credit facility (or law firms retained by the administrative agent or members of your credit facility). However, such representations are in matters unrelated to this Engagement.

From the results of such review, we were not made aware of any conflicts of interest or additional relationships that we believe would preclude us from performing the Services. However, as you know, we are a large consulting firm with numerous offices throughout the United States. We are regularly engaged by new clients, which may include one or more of the Potentially Interested Parties. We will not accept an engagement that directly conflicts with this Engagement without your prior written consent.

**6. Acknowledgement and Acceptance**

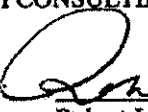

Please acknowledge your acceptance of the terms of this Engagement Contract by signing both the confirmation below and the Standard Terms and Conditions and returning a copy of each to us at the above address.

If you have any questions regarding this letter or the Standard Terms and Conditions, please do not hesitate to contact Robert J. Duffy at 617-897-1501.

**STANDARD TERMS AND CONDITIONS**

The following are the Standard Terms and Conditions on which we will provide the Services to you set forth within the attached letter of engagement with Circuit City Stores, Inc. dated August 15, 2008 (the "Engagement Letter"), the terms of which are incorporated herein by reference. The Engagement Letter and these Standard Terms and Conditions set forth herein (collectively, the "Engagement Contract") form the entire agreement between us relating to the Services and replace and supersede any previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services. The headings and titles in the Engagement Contract are included to make it easier to read but do not form part of the Engagement Contract.

**1. Reports and Advice**

- 1.1 Use and purpose of advice and reports**—Any advice given or report issued by us is provided solely for your use and benefit and only in connection with the purpose in respect of which the Services are provided. Unless required by law, you shall not provide any advice given or report issued by us to any third party (other than to your attorneys, investment bankers, financial advisors, auditors and other representatives), or refer to us or the Services, without our prior written consent. In no event, regardless of whether consent has been provided, shall we assume any responsibility to any third party to which any advice or report is disclosed or otherwise made available.

**2. Information and Assistance**

- 2.1 Provision of information and assistance**—Our performance of the Services is dependent upon your providing us with such information and assistance as we may reasonably require from time to time.
- 2.2 Punctual and accurate information**—You shall use reasonable skill, care and attention to ensure that all information we may reasonably require is provided on a timely basis and is accurate and complete and relevant for the purpose for which it is required. You shall also notify us if you subsequently learn that the information provided is incorrect or inaccurate or otherwise should not be relied upon.
- 2.3 No assurance on financial data**—While our work may include an analysis of financial and accounting data, the Services will not include an audit, compilation or review of any kind of any financial statements or components thereof. Company management will be responsible for any and all financial information they provide to us during the course of this Engagement, and we will not examine or compile or verify any such financial information. Moreover, the circumstances of the Engagement may cause our advice to be limited in certain respects based upon, among other matters, the extent of sufficient and available data and the opportunity for supporting investigations in the time period. Accordingly, as part of this Engagement, we will not express any opinion or other form of assurance on financial statements of the Company.
- 2.4 Prospective financial information**—In the event the Services involve prospective financial information, our work will not constitute an examination or compilation, or apply agreed-upon procedures, in accordance with standards established by the American Institute of Certified Public Accountants or otherwise, and we will express no assurance of any kind on such information. There will usually be differences between estimated and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. We will take no responsibility for the achievability of results or events projected or anticipated by the management of the Company.

### **3. Additional Services**

**3.1 Responsibility for other parties**—You shall be solely responsible for the work and fees of any other party engaged by you to provide services in connection with the Engagement regardless of whether such party was introduced to you by us. Except as provided in this Engagement Contract, we shall not be responsible for providing or reviewing the advice or services of any such third party, including advice as to legal, regulatory, accounting or taxation matters. Further, we acknowledge that we are not authorized under our Engagement Contract to engage any third party to provide services or advice to you, other than our agents or independent contractors engaged to provide Services, without your written authorization.

**3.2 Facilities** -- To the extent necessary to perform the services, the Company will provide FTI with the workspace, facilities and supplies reasonably required to perform the services contemplated hereunder. The Company shall have no liability for any claims, losses, damages, injuries, costs, expenses or any other liabilities of any kind or character whatsoever arising out of, resulting from or in any way connected with providing us with workspace, facilities and supplies in connection with the Services, except to the extent caused by the grossly negligent or willful acts or omissions of the Company.

### **4. Confidentiality**

**4.1 Restrictions on confidential information**—Both parties agree that any confidential information received from the other party shall only be used for the purposes of providing or receiving Services under this or any other contract between us. Except as provided below, neither party will disclose the other party's confidential information to any third party without the other party's prior written consent. Confidential information shall not include information that:

**4.1.2** is or becomes generally available to the public other than as a result of a breach of an obligation under this Clause 4.1;

**4.1.3** is acquired from a third party who, to the recipient party's knowledge after receiving prior advice from counsel, owes no obligation of confidence in respect of the information; or

**4.1.4** is or has been independently developed by the recipient.

**4.2 Disclosing confidential information**—Notwithstanding Clause 1.1 or 4.1 above, either party will be entitled to disclose confidential information of the other to a third party to the extent that this is required by valid legal process, provided that (and without breaching any legal or regulatory requirement) where reasonably practicable not less than 2 business days' notice in writing is first given to the other party.

**4.3 Citation of Engagement**—Subject to Clause 4.1 and Clause 4.2 above, to the extent the Engagement is or becomes known to the public, we may cite the performance of the Services to our clients and prospective clients as an indication of our experience, unless we and you specifically agree otherwise in writing.

**4.4 Internal quality reviews**—Notwithstanding the above, we may disclose any information referred to in this Clause 4 to any other FTI entity or use it for internal quality reviews.

**4.5 Maintenance of workpapers**—Notwithstanding the above, we may keep one archival set of our working papers from the Engagement, including working papers containing or reflecting confidential information, in accordance with our internal policies.

### **5. Termination**

**5.1 Termination of Engagement with notice**—Either party may terminate the Engagement Contract for whatever reason upon written notice to the other party. Upon receipt of such notice, we will stop all work immediately. You will be responsible for all undisputed fees and expenses incurred by us through the date notice of termination is received.

- 5.2 **Effect of Termination** -- If, at any time prior to twelve months after the effective date of termination without cause of this Engagement, a restructuring or sale transaction, as described in the Engagement Letter, is consummated, the Company may pay FTI a Completion Fee subject to the terms specified in Clause 3 of the Engagement Letter. Company shall have the discretion to pay FTI a Completion Fee whether or not the Company has then engaged the services of a third party firm.
- 5.3 **Continuation of terms**—The terms of the Engagement that by their context are intended to be performed after termination or expiration of this Engagement Contract, including but not limited to, Clauses 3 and 4 of the Engagement Letter, and Clauses 1.1, 4, 6 and 7 of the Standard Terms and Conditions, are intended to survive such termination or expiration and shall continue to bind all parties.

**6. Indemnification and Liability Limitation; Waiver of Jury Trial**

- 6.1 **Indemnification** - Each party agrees to indemnify and hold harmless the other party and any of its subsidiaries and affiliates, officers, directors, principals, shareholders, agents, independent contractors and employees (collectively "Indemnified Persons") from and against any and all claims, liabilities, damages, obligations, costs and expenses (including reasonable attorneys' fees and expenses and costs of investigation) arising out of the acts or omissions of the indemnifying party, except to the extent that any such claim, liability, obligation, damage, cost or expense shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted.
- 6.2 **Limitation of liability**—Each party agrees that no Indemnified Person shall have any liability as a result of this Engagement, the execution and delivery of this Engagement Contract, the provision of Services or other matters relating to or arising from this Engagement Contract, other than liabilities that shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted. Without limiting the generality of the foregoing, in no event shall any Indemnified Person be liable for consequential, indirect or punitive damages, damages for lost profits or opportunities or other like damages or claims of any kind.
- 6.3 **WAIVER OF JURY TRIAL**—TO FACILITATE JUDICIAL RESOLUTION AND SAVE TIME AND EXPENSE, YOU AND FTI IRREVOCABLY AND UNCONDITIONALLY AGREE NOT TO DEMAND A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THE SERVICES OR ANY SUCH OTHER MATTER ARISING FROM THE ENGAGEMENT CONTRACT.

A certificate of insurance meeting the above requirements will be delivered to the Company (i) upon execution of this Engagement Letter, (ii) upon renewal of the insurance policy and annually thereafter, and (iii) upon reasonable request.
- 6.5 **Governing Law and Jurisdiction**—The Engagement Contract shall be governed by and interpreted in accordance with the laws of the State of New York, without giving effect to the choice of law provisions thereof. The United States District Court for the Southern District of New York and the

appropriate Courts of the State of New York sitting in the Borough of Manhattan, City of New York shall have exclusive jurisdiction in relation to any claim, dispute or difference concerning the Engagement Contract and any matter arising from it; provided that if the Company or any of its affiliates has sought relief under the Bankruptcy Code, the parties consent to the exclusive jurisdiction of the bankruptcy court in which such case or cases are pending over any and all matters arising from or related to the Engagement Contract. The parties submit to the jurisdiction of such courts and irrevocably waive any right to object to any action being brought in such courts, to claim that the action has been brought in an inconvenient forum or to claim that those courts do not have jurisdiction.

7. **Independent Contractors** — The parties to this Engagement Contract are independent of one another. FTI is engaged by the Company to provide financial advisory and consulting services only. Accordingly, while we may from time to time suggest options which may be available to you, and further give our professional evaluation of these options, the ultimate decision as to which, if any, of these options to implement rests with the Company, its management and the board of directors. FTI and its employees will not make any management decisions for the Company and will not be responsible for communicating information concerning the Company to the public, the Company's shareholders, creditors or other parties.

As part of the Services, FTI may be requested to assist the Company (and its legal or other advisors) in negotiations with the Company's shareholders, creditors or other parties,

Circuit City Stores, Inc.  
November 5, 2008

including with respect to a potential out-of-court restructuring. In the event that we participate in such negotiations, the representations made and the positions advanced will be those of the Company and its management, not FTI or its employees.

If cases under the Bankruptcy Code, 11 U.S.C. § 101-1532 (the "Bankruptcy Code"), are commenced and our retention is approved, our role will include serving as principal bankruptcy financial advisors to the debtors and debtors-in-possession in those cases under a general retainer, subject to court approval. Our role also will encompass all out-of-court planning and negotiations attendant to these tasks.

The *Services* we will provide in connection with the Engagement will encompass all services normally and reasonably associated with this type of *Engagement* that we are requested and are able to provide and that are consistent with our ethical obligations. With respect to all matters of our Engagement, we will coordinate closely with the Company as to the nature of the services that we will render and the scope of our *Engagement*.

As usual, our Engagement is to represent the Company and not its individual directors, officers, employees or shareholders. However, we anticipate that in the course of that Engagement, we may provide information or advice to directors, officers or employees in their corporate capacities.

### 3. Fees, Expenses and Cash on Account

#### Standard Hourly Rates:

Fees in connection with this Engagement will be based upon the time incurred providing the Services, multiplied by our standard hourly rates applicable in the United States, summarized as follows:

	Per Hour
Senior Managing Directors	\$650 - \$715
Directors / Managing Directors	\$475 - \$620
Consultants/Senior Consultants	\$235 - \$415
Administrative / Paraprofessionals	\$95 - \$190

Hourly rates are generally revised periodically; provided that FTI shall provide the Company with at least 10 days' prior written notice of any rate adjustments (and the amount of any such rate adjustments). To the extent this Engagement requires services of our International divisions or personnel, the time incurred providing the Services will be multiplied by our standard hourly rates applicable on International engagements which rates shall be provided to the Company in writing, prior to the assignment of such divisions or personnel. Note that we do not provide any assurance regarding the outcome of our work and our fees will not be contingent on the results of such work.

#### Completion Fee

The Company, in its sole and absolute discretion, may pay FTI a fee (a "Completion Fee") in the event a restructuring or sale transaction is consummated to the satisfaction of the Company. The Completion Fee may be paid to FTI under various scenarios as follows:

- In the event a restructuring or sale transaction is completed and the Company does not file for bankruptcy protection, a Completion Fee of up to \$5 million.

Circuit City Stores, Inc.  
November 5, 2008

- In the event the Company files for bankruptcy protection and the Company consummates a plan, reorganization or sale transaction within 180 days of the filing, a Completion Fee of up to \$3.5 million.
- In the event the Company completes any other restructuring, plan, reorganization or sale transaction not described above, a Completion Fee of up to \$1 million.

#### **Financing Fee**

##### Second Lien Financing

- A total fee of 1.0% of the commitment of second lien financing will be earned by FTI whether outside of a chapter 11 proceeding or as part of a DIP financing. Such fees will be earned and paid upon interim court approval or closing of such financing.

##### Senior Loan Financing

- In the event the Company seeks to refinance its existing senior debt outside of a chapter 11 proceeding or secure senior debt as part of a DIP financing, a fee of .25% of the commitment amount will be earned and paid upon interim court approval or closing of such financing.

#### **Expenses:**

In addition to the fees outlined above, FTI will bill for reasonable direct expenses which are incurred on your behalf during this Engagement provided that FTI shall present to the Company invoices and other supporting detail that may be reasonably requested by the Company. Direct expenses are reasonable and customary out-of-pocket expenses which are billed directly to the Engagement, such as certain telephone, overnight mail, messenger, travel, meals, accommodations and other out-of-pocket expenses specifically related to the Engagement. Further, if FTI and/or any of its employees are required to testify or provide evidence at or in connection with any judicial or administrative proceeding relating to the Engagement, FTI will be compensated by you at its regular hourly rates and reimbursed for reasonable direct expenses (including reasonable, documented fees of outside counsel) with respect thereto as provided herein.

#### **Cash on Account:**

The Company will forward to us at total amount of \$750,000, which funds will be held "on account" to be applied to our professional fees, expenses and disbursements for the Engagement (as replenished or supplemented from time to time, the "Cash on Account"). FTI acknowledges that it is holding \$200,000 Initial Cash on Account relating to its engagement letter with the Company dated August 15, 2008. To the extent that this amount exceeds our fees, expenses and disbursements upon the completion or termination of the Engagement, we will immediately refund to the Company any portion of the Initial Cash on Account and the Additional Cash on Account (as defined herein) in excess of all fees and expenses due FTI. The Company agrees to increase or supplement the Initial Cash on Account from time to time during the course of the Engagement in such amounts as the Company and we mutually shall agree are reasonably necessary to increase the Initial Cash on Account to a level that will be sufficient to fund Engagement fees, expenses and disbursements to be incurred.

We will send the Company periodic invoices (not less frequently than monthly) for services rendered and expenses and disbursements incurred on the basis discussed above, and in certain

Circuit City Stores, Inc.  
November 5, 2008

circumstances, an invoice may be for estimated fees, expenses and disbursements through a date certain. Each invoice constitutes a request for an interim payment against the fee to be determined at the conclusion of our Services. After 2 business days following transmittal of the invoice, we may draw upon the Initial Cash on Account in the amount of the invoice. The Company agrees upon submission of each such invoice to promptly wire the invoice amount to us as replenishment of the Initial Cash on Account (together with any supplemental amount to which we and the Company mutually agree), without prejudice to the Company's right to advise us of any differences it may have with respect to such invoice. We have the right to apply to any outstanding invoice (including amounts billed prior to the date hereof), up to the remaining balance, if any, of the Initial Cash on Account at any time subject to (and without prejudice to) the Company's opportunity to review and dispute our invoices, fees, expenses or disbursements.

Neither party shall actively solicit for employment or hire any employee of the other party during the term of this Engagement and for a period of one (1) year following the date of termination or completion of this engagement without the prior written consent of the other party.

In a case under the Bankruptcy Code, fees and expenses may not be paid without the express prior approval of the bankruptcy court. In most cases of this size and complexity, on request of a party in interest, the bankruptcy court permits the payment of fees and reimbursement of expenses on an interim basis during the case. The Company agrees that, if asked to do so by us, the Company will request the bankruptcy court to establish a procedure for the payment of interim fees during the case that would permit payment of interim fees. If the bankruptcy court approves such a procedure, we will submit invoices on account against our final fee. These interim invoices will be based on such percentage as the bankruptcy court allows of our internal time charges and costs and expenses for the work performed during the relevant period and will constitute a request for an interim payment against the reasonable fee to be determined at the conclusion of our representation.

In preparation for the filing of any cases under the Bankruptcy Code, we also may require an additional on account payment to supplement the Initial Cash on Account to cover fees, expenses and disbursements to be incurred during the initial phase of the chapter 11 cases (the "Additional Cash on Account"). We will hold the Additional Cash on Account, as we have the Initial Cash on Account. Of course, the reasonableness of the Additional Cash on Account remains subject to review by the court in any ensuing case.

If any of the Company's entities become a debtor in one or more cases under the Bankruptcy Code, some fees, expenses and disbursements (whether or not billed) incurred before the filing of bankruptcy petitions (voluntary or involuntary) might remain unpaid as of the date of the filing. The unused portion, if any, of the Initial Cash on Account and the Additional Cash on Account will be applied to any such unpaid pre-petition fees, expenses and disbursements. Any requisite court permission will be obtained in advance. We will then hold any portion of the Initial Cash on Account and the Additional Cash on Account not otherwise properly applied for the payment of any such unpaid pre-filing fees, expenses and disbursements (whether or not billed) as on account cash to be applied to our final invoice in any case under the Bankruptcy Code.

Post-petition fees, expenses and disbursements will be due and payable immediately upon entry of an order containing such court approval or at such time thereafter as instructed by the bankruptcy court. The Company understands that while the arrangement in this paragraph

Circuit City Stores, Inc.  
November 5, 2008

may be altered in whole or in part by the bankruptcy court, the Company shall nevertheless remain liable for payment of court approved post-petition fees and expenses. It is agreed and understood that the unused portion, if any, of the Initial Cash on Account and the Additional Cash on Account shall be held by us and applied against the final fee application filed and approved by the court.

**4. Terms and Conditions**

The Standard Terms and Conditions set forth the duties of each party with respect to the Services. Further, this letter and the Standard Terms and Conditions comprise the entire Engagement Contract for the provision of the Services to the exclusion of any other express or implied terms, whether expressed orally or in writing, including any conditions, warranties and representations, and shall supersede all previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services.

**5. Conflicts of Interest**

Based on the list of potentially interested parties (the "Potentially Interested Parties"), provided by you, we have undertaken a limited review of our records to determine FTI's professional relationships with the Company and Bank of America, N.A., the administrative agent for the Company's existing credit facility (the "Administrative Agent"). As you may be aware, FTI is regularly retained by the Administrative Agent and/or other members of your credit facility (or law firms retained by the administrative agent or members of your credit facility). However, such representations are in matters unrelated to this Engagement.

FTI appears in numerous cases, proceedings and transactions that involve many different professionals, including attorneys, accountants and financial consultants, who may represent claimants and parties-in-interest. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in a potential Chapter 11 case. In addition, FTI has in the past, may currently and will likely in the future be working with or against other professionals involved in a potential Chapter 11 in matters unrelated to these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Company in matters upon which FTI is to be employed, and none are in connection with these cases.

FTI has initiated ethical walls relating to two matters to ensure that FTI's representation of another party does not have a materially adverse impact on the Company. First, FTI is currently engaged by Syntax Brilliant and Circuit City is a party to litigation with Syntax Brilliant. Second, FTI is currently engaged by Magellan and Magellan is a potential creditor of the Company in any Chapter 11 case.

From the results of such review, we were not made aware of any conflicts of interest or additional relationships that we believe would preclude us from performing the Services. However, as you know, we are a large consulting firm with numerous offices throughout the United States. We are regularly engaged by new clients, which may include one or more of the Potentially Interested Parties. We will not accept an engagement that directly conflicts with this Engagement without your prior written consent.

**We agree to engage FTI Consulting, Inc. upon the terms set forth herein and upon the Standard Terms and Conditions.**

Circuit City Stores, Inc.

By:

  
Bruce H. Besanko  
Chief Financial Officer

Date: NOV 5, 2008

**FTI CONSULTING, INC.**

**STANDARD TERMS AND CONDITIONS**

The following are the Standard Terms and Conditions on which we will provide the Services to you set forth within the attached letter of engagement with Circuit City Stores, Inc. dated November 5, 2008 (the "Engagement Letter"), the terms of which are incorporated herein by reference. The Engagement Letter and these Standard Terms and Conditions set forth herein (collectively, the "Engagement Contract") form the entire agreement between us relating to the Services and replace and supersede any previous proposals, letters of engagement, undertakings, agreements, understandings, correspondence and other communications, whether written or oral, regarding the Services. The headings and titles in the Engagement Contract are included to make it easier to read but do not form part of the Engagement Contract.

**1. Reports and Advice**

- 1.1 Use and purpose of advice and reports**—Any advice given or report issued by us is provided solely for your use and benefit and only in connection with the purpose in respect of which the Services are provided. Unless required by law, you shall not provide any advice given or report issued by us to any third party (other than to your attorneys, investment bankers, financial advisors, auditors and other representatives), or refer to us or the Services, without our prior written consent. In no event, regardless of whether consent has been provided, shall we assume any responsibility to any third party to which any advice or report is disclosed or otherwise made available.

**2. Information and Assistance**

- 2.1 Provision of information and assistance**—Our performance of the Services is dependent upon your providing us with such information and assistance as we may reasonably require from time to time.
- 2.2 Punctual and accurate information**—You shall use reasonable skill, care and attention to ensure that all information we may reasonably require is provided on a timely basis and is accurate and complete and relevant for the purpose for which it is required. You shall also notify us if you subsequently learn that the information provided is incorrect or inaccurate or otherwise should not be relied upon.
- 2.3 No assurance on financial data**—While our work may include an analysis of financial and accounting data, the Services will not include an audit, compilation or review of any kind of any financial statements or components thereof. Company management will be responsible for any and all financial information they provide to us during the course of this Engagement, and we will not examine or compile or verify any such financial information. Moreover, the circumstances of the Engagement may cause our advice to be limited in certain respects based upon, among other matters, the extent of sufficient and available data and the opportunity for supporting investigations in the time period. Accordingly, as part of this Engagement, we will not express any opinion or other form of assurance on financial statements of the Company.
- 2.4 Prospective financial information**—In the event the Services involve prospective financial information, our work will not constitute an examination or compilation, or apply agreed-upon procedures, in accordance with standards established by the American Institute of Certified Public Accountants or otherwise, and we will express no assurance of any kind on such information. There will usually be differences between estimated and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. We will take no responsibility for the achievability of results or events projected or anticipated by the management of the Company.

### 3. Additional Services

- 3.1 **Responsibility for other parties**—You shall be solely responsible for the work and fees of any other party engaged by you to provide services in connection with the Engagement regardless of whether such party was introduced to you by us. Except as provided in this Engagement Contract, we shall not be responsible for providing or reviewing the advice or services of any such third party, including advice as to legal, regulatory, accounting or taxation matters. Further, we acknowledge that we are not authorized under our Engagement Contract to engage any third party to provide services or advice to you, other than our agents or independent contractors engaged to provide Services, without your written authorization.
- 3.2 **Facilities** -- To the extent necessary to perform the services, the Company will provide FTI with the workspace, facilities and supplies reasonably required to perform the services contemplated hereunder. The Company shall have no liability for any claims, losses, damages, injuries, costs, expenses or any other liabilities of any kind or character whatsoever arising out of, resulting from or in any way connected with providing us with workspace, facilities and supplies in connection with the Services, except to the extent caused by the grossly negligent or willful acts or omissions of the Company.

### 4. Confidentiality

- 4.1 **Restrictions on confidential information**—Both parties agree that any confidential information received from the other party shall only be used for the purposes of providing or receiving Services under this or any other contract between us. Except as provided below, neither party will disclose the other party's confidential information to any third party without the other party's prior written consent. Confidential information shall not include information that:
- 4.1.2 is or becomes generally available to the public other than as a result of a breach of an obligation under this Clause 4.1;
- 4.1.3 is acquired from a third party who, to the recipient party's knowledge after receiving prior advice from counsel, owes no obligation of confidence in respect of the information; or
- 4.1.4 is or has been independently developed by the recipient.
- 4.2 **Disclosing confidential information**—Notwithstanding Clause 1.1 or 4.1 above, either party will be entitled to disclose confidential information of the other to a third party to the extent that this is required by valid legal process, provided that (and without breaching any legal or regulatory requirement) where reasonably practicable not less than 2 business days' notice in writing is first given to the other party.
- 4.3 **Citation of Engagement**—Subject to Clause 4.1 and Clause 4.2 above, to the extent the Engagement is or becomes known to the public, we may cite the performance of the Services to our clients and prospective clients as an indication of our experience, unless we and you specifically agree otherwise in writing.
- 4.4 **Internal quality reviews**—Notwithstanding the above, we may disclose any information referred to in this Clause 4 to any other FTI entity or use it for internal quality reviews.
- 4.5 **Maintenance of workpapers**—Notwithstanding the above, we may keep one archival set of our working papers from the Engagement, including working papers containing or reflecting confidential information, in accordance with our internal policies.

### 5. Termination

- 5.1 **Termination of Engagement with notice**—Either party may terminate the Engagement Contract for whatever reason upon written notice to the other party. Upon receipt of such notice, we will stop all work immediately. You will be responsible for all undisputed fees and expenses incurred by us through the date notice of termination is received.

- 5.2 **Effect of Termination** -- If, at any time prior to twelve months after the effective date of termination without cause of this Engagement, a restructuring or sale transaction, as described in the Engagement Letter, is consummated, the Company may pay FTI a Completion Fee subject to the terms specified in Clause 3 of the Engagement Letter. Company shall have the discretion to pay FTI a Completion Fee whether or not the Company has then engaged the services of a third party firm.
- 5.3 **Continuation of terms**—The terms of the Engagement that by their context are intended to be performed after termination or expiration of this Engagement Contract, including but not limited to, Clauses 3 and 4 of the Engagement Letter, and Clauses 1.1, 4, 6 and 7 of the Standard Terms and Conditions, are intended to survive such termination or expiration and shall continue to bind all parties.

**6. Indemnification and Liability Limitation; Waiver of Jury Trial**

- 6.1 **Indemnification** - Each party agrees to indemnify and hold harmless the other party and any of its subsidiaries and affiliates, officers, directors, principals, shareholders, agents, independent contractors and employees (collectively "Indemnified Persons") from and against any and all claims, liabilities, damages, obligations, costs and expenses (including reasonable attorneys' fees and expenses and costs of investigation) arising out of the acts or omissions of the indemnifying party, except to the extent that any such claim, liability, obligation, damage, cost or expense shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted.
- 6.2 **Limitation of liability**—Each party agrees that no Indemnified Person shall have any liability as a result of this Engagement, the execution and delivery of this Engagement Contract, the provision of Services or other matters relating to or arising from this Engagement Contract, other than liabilities that shall have been determined by final non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Person or Persons in respect of whom such liability is asserted. Without limiting the generality of the foregoing, in no event shall any Indemnified Person be liable for consequential, indirect or punitive damages, damages for lost profits or opportunities or other like damages or claims of any kind.
- 6.3 **WAIVER OF JURY TRIAL**—TO FACILITATE JUDICIAL RESOLUTION AND SAVE TIME AND EXPENSE, YOU AND FTI IRREVOCABLY AND UNCONDITIONALLY AGREE NOT TO DEMAND A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THE SERVICES OR ANY SUCH OTHER MATTER ARISING FROM THE ENGAGEMENT CONTRACT.
- 6.4 **Insurance** -- FTI shall maintain the following insurance with an insurance carrier authorized to do business in the United States and having a rating of "A-" or better by A.M. Best Company and a Financial Size Category of at least Class VIII: (a) a policy of commercial general liability insurance, covering liability arising from premises, operations, independent contractors, products – completed operations, personal injury, advertising injury and liability assumed under an insured contract, with limits of not less than \$2,000,000 each occurrence and at least \$10,000,000 in aggregate liability; (b) commercial auto liability insurance to include all owned, non-owned and hired vehicles, with limits of liability not less than \$2,000,000 each accident; (c) workers compensation insurance to the extent required by law and employer's liability insurance, with limits of at least \$1,000,000 each accident/disease; and (d) professional liability insurance with limits of at least \$2,000,000 per occurrence. All policies except for (b), (c) and (d) above shall name the Company as an "Additional Insured". All certificates will provide for at least thirty (30) days written notice prior to cancellation of any insurance referred to under this Engagement Contract as well as notification of "Additional Insured". A certificate of insurance meeting the above requirements will be delivered to the Company (i) upon execution of this Engagement Letter, (ii) upon renewal of the insurance policy and annually thereafter, and (iii) upon reasonable request.
- 6.5 **Governing Law and Jurisdiction**—The Engagement Contract shall be governed by and interpreted in accordance with the laws of the State of New York, without giving effect to the choice of law provisions thereof. The United States District Court for the Southern District of New York and the

appropriate Courts of the State of New York sitting in the Borough of Manhattan, City of New York shall have exclusive jurisdiction in relation to any claim, dispute or difference concerning the Engagement Contract and any matter arising from it; provided that if the Company or any of its affiliates has sought relief under the Bankruptcy Code, the parties consent to the exclusive jurisdiction of the bankruptcy court in which such case or cases are pending over any and all matters arising from or related to the Engagement Contract. The parties submit to the jurisdiction of such courts and irrevocably waive any right to object to any action being brought in such courts, to claim that the action has been brought in an inconvenient forum or to claim that those courts do not have jurisdiction.

7. **Independent Contractors** -- The parties to this Engagement Contract are independent of one another. This Engagement Contract does not create any relationship of franchise, joint venture, association, partnership, or any other form of business organization. Neither party shall have any right, power or authority to bind the other or to assume, create, or incur any expenses, liability or obligation, express or implied, on behalf of the other. The Company shall not be responsible for payment of FTI's employees' or contractors' salary, benefits, expenses, insurance, taxes, workers' compensation, unemployment insurance or any other employee benefits, but such responsibility shall be that of the Supplier. Furthermore, FTI shall be fully responsible for withholding any and all Federal, state or local income and employment taxes in connection with FTI's employees' and contractors compensation.

**FTI CONSULTING, INC**

**Confirmation of Standard Terms and Conditions**

We agree to engage FTI Consulting, Inc. upon the terms set forth in these Standard Terms and Conditions as outlined above.

to retain FTI Consulting, Inc. as financial advisors, effective as of the Petition Date; and the Court having reviewed the Application and the Duffy Affidavit in Support of the Application (the "Duffy Affidavit"); and due and adequate notice of the Application having been given; and it appearing that no other notice need be given; and it appearing that FTI Consulting, Inc. neither holds nor represents any interest adverse to the Debtors' estates; and it appearing that FTI Consulting, Inc. is "disinterested," as that term is defined in Bankruptcy Code section 101(14); and it appearing that the relief requested in the Application is in the best interest of the Debtors, their estates and their creditors; after due deliberation thereon and sufficient cause appearing therefore, it is hereby

**ORDERED, ADJUDGED AND DECREED that:**

1. The Application is GRANTED.
2. In accordance with Bankruptcy Code sections 327(a) and 328, the Debtors are authorized to employ and retain FTI Consulting, Inc. effective as of the Petition Date as their financial advisors on the

terms set forth in the Application and the Engagement Letters.

3. The Engagement Letters are hereby approved and, to the extent not inconsistent with this Order, shall govern the Debtors' and FTI Consulting, Inc.'s respective rights and obligations.

4. FTI Consulting, Inc. shall be compensated in accordance with the Engagement Letters, procedures set forth in Bankruptcy Code sections 330 and 331 and such Bankruptcy and Local Rules as may then be applicable, from time to time, and such procedures as may be fixed by order of this Court; provided, however, any and all "Completion Fee" and/or "Financing Fee" (as described in the Engagement Letters) that may become due and payable to FTI Consulting, Inc. during these chapter 11 cases are hereby approved under Bankruptcy Code section 328(a) and shall only be subject to review thereunder.
